Comment Reasons:

Comment: As the owner of Sturmer Garden Centre we feel this is an excellent development for this site. I can understand Heritage England wanting some aspects preserved and there are ways that can be done without just outright objection.

There is a huge need for SEND facilities especially with the suggested planning of 5,000 homes surrounding both Our property and Sturmer Hall - something that negates part of Heritage Englands arguments anyway!

I understand part of the property would be a Wellness Centre also which would be an excellent addition to a heritage site, much more so than the current events space. We very much support this application.
