The drawing of the proposed advertisement should show its dimensions and position on the land or building in question. For a sign, the drawing should indicate the materials to be used, fixings, colours, height above the ground and, where it would project from a building, the extent of the projection. A site location plan should also be provided which identifies the proposed position of the advertisement and location of the site by reference to at least two named roads. It should be drawn to an identified scale and show the direction of North. Ordnance Survey maps are not required. Photographs and photomontages may be used. The original and 3 copies* of each drawing should be provided:

☐

The original and 3 copies* of other plans and drawings information necessary to describe the subject of the application:

☐

It is a condition of every consent granted by or under the Regulations that, before displaying any advertisement, the permission of the owner of the land or other person entitled to grant permission must be obtained. To display any advertisement without this permission is an offence, open to immediate prosecution.

Where the site is within the boundaries of a highway, evidence that the application is acceptable to the highway authority must be provided.

*National legislation specifies that the applicant must provide the original plus three copies of the form and supporting documents (a total of four copies), unless the application is submitted electronically or, the LPA indicate that a smaller number of copies is required. LPAs may also accept supporting documents in electronic format by post (for example, on a CD, DVD or USB memory stick). You can check your LPA's website for information or contact their planning department to discuss these options.
