Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

- Noise
- Parking issues

Comment: I strongly disagree to this application.

Although the planning is vague as it says to allow more than 3 so this opens it up to being any amount.

The private lane is a one track lane and not built for heavy use.

People coming and going all hours of the night and day is dangerous for people walking and driving up and down the lane.

The gates will have to be opened and shut quite often causing noise and inconvenience to neighbours as they will block the lane.

When the house was purchased and an application put in surely they knew how many staff they would need. So why now has it suddenly changed?
