

- NOTES:
- All dimensions must be checked on site and not scaled from this drawing.
 - The Contractor shall make a survey of the site and shall be responsible for obtaining all dimensions and levels necessary for the proper fabrication of the structure as indicated.
 - All levels shown on this drawing are relative to Agreed Topographic survey.
 - This drawing is to be read in conjunction with 29351/100 Series Drawings.
 - All existing invert levels are to be confirmed by contractor prior to construction. Connection subject to approval.
