

NOT FOR CONSTRUCTION

- NOTES:
1. All dimensions must be checked on site and not scaled from this drawing.
  2. The Contractor shall make a survey of the site and shall be responsible for obtaining all dimensions and levels necessary for the proper fabrication of the structure as indicated.
  3. All levels shown on this drawing are relative to Agreed Topographic survey.
  4. This drawing is to be read in conjunction with 29351/100 Series Drawings.
  5. All existing invert levels are to be confirmed by contractor prior to construction. Connection subject to approval.

- Existing Watercourse
- Gas Line with Easement Offset
- Site Red Line Boundary
