Dear Sir,

We are writing to object to the proposed development of an Anabolic Biogester at Spring Green Farm Haverhill, on the following grounds.

① SMELLS, ODOURS BEING EMITTED INTO THE ATMOSPHERE

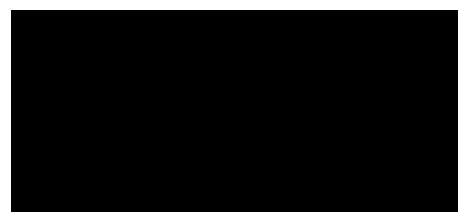

- A) METHANE HYDROGEN SULPHIDE - TOXIC
- B) METHANE THIOL - TOXIC
- C) METHYL MERCAPTAN - TOXIC
- D) HYDROGEN SULPHIDE - EXTREMELY TOXIC

As I understand it, this will be the first and largest of this type to be built in the U.K.

② RESIDUES FROM THIS PROCESS

As this site is liable to flood, would the site be fully Bunded in case of mishaps as there is a stream from the site area to the flood park. then onto the Stour Brook this material would cause BLUE ALGAE.

③ DANGER TO RESIDENTS LIVING CLOSE TO THE SITE (1,000 House)  
There have been a number of explosions and fires at similar plants in the U.K.

## **1. Procedure for making a representation**

All representations must be made in writing, whether in support or against a proposal, to the Head of Planning, Strategic Development to be received within the period stated on the public advertisement. Although the Council is not obliged to take account of correspondence received outside this period it will normally do so up to the day of Committee. However, delaying your representation means that your comments might not be incorporated into the written report.

Some representations are often made direct to the appropriate District Council in order for those comments to be made known before a recommendation is made from that district to the County Council. If this is done, then a copy should always be forwarded to the County Council at the same time.

If you would like to discuss any aspect of a proposal before commenting, you should contact the Case Officer whose telephone number appears on the public notice.

Letters of objection are publicly available and cannot be treated as confidential.

## **2. What to include in your letter**

Keep your letter as clear and concise as possible avoiding personal comments. By way of example, the following matters **are** relevant planning considerations:

- planning policies
- environmental and residential impact of a proposal
- highway considerations
- opportunity for mitigation impact

And the following **are not** relevant planning considerations:

- effect on property values
- loss of personal view
- personalities and ownership
